

## Section 17(b) Disclosure

Sprowtt Crowdfunding Inc. fees for each type of offering are disclosed in the respective offering materials. Generally, for Title III Regulation Crowdfunding, Sprowtt Crowdfunding Inc. fees consist of a fee based on the total amount of investments in the offering and payable in cash and/or securities in addition to certain expense reimbursements. The company may elect to take an equity position in the issuer of the securities prior to the offering commencing in consideration of ongoing consulting in future offerings.
